

Fill out the Census 2020!

Follow the instructions in
the postcard you will get
in the mail.

We Count. We Rise.

Be counted so San Benito
County receives much
needed federal funding
for education, healthcare,
transportation systems, and
community services that are
vital to our growth.

Funding for this campaign provided by

Community Foundation

“ The Census comes every 10 years. We receive funding for resources based on the growth of each area. My family of 7 will sure be counted and I urge you to do the same. San Benito County is counting on you. ”
