

Fill out the Census 2020!

Follow the instructions in
the postcard you will get
in the mail.

We Count. We Rise.

Be counted so San Benito
County receives much
needed federal funding
for education, healthcare,
transportation systems, and
community services that are
vital to our growth.

Funding for this campaign provided by

“ The Census reminds youth like me that it is important to get involved now and learn about our government and democracy. The Census helps us to be represented accurately in Congress, this is why my family and my friends will fill out the Census. ”
